

goinghouse good morning sure S thought left home cried told
like Dorothy took Ozma began great eyes say miss Mrs
day look said new world way things people dear room hands place knew
turned look soon hand on oh man want girl went came looking away
asked moment air hand soon shall come did make let just saw went came city mr head
night Lon soon shall come did make let just saw went came city mr head
door asked moment air hand soon shall come did make let just saw went came city mr head
king half little shall come did make let just saw went came city mr head
seen half little shall come did make let just saw went came city mr head
know boy voice men old got looked yes don better thing young heard
far know boy voice men old got looked yes don better thing young heard
told think right face
