

way things ^{new} called longs water king
look war ^{strange} captain true seen left
far went moment seen man deck high
shall ship think soon poor room boat
house say sir end young boat
roundt eye friend poor room looking
life day going certain little just
know heard did away came
mind media whale half times white
having good feet said air
better chimney small come morning
hands make head thing night babbalanja tell
old wife right days great lord cried
oh let
